SUMMARY

Overview

Industry: Call Centre / Insurance
Solution: Kelio Integral

Benefits

- Programmable for flexible working hours
- Easy way to control staff time and attendance
- Straightforward

NFU Mutual is a registered mutual insurance company operating across the UK. The company has been named Best Financial Service Provider in the "2013 Which? Awards" thanks to the efficient management of its employees.

For the last 10 years Julian Cutler, Senior Workplace Analyst, has been monitoring its staff time and attendance using Bodet's **Kelio Integral system**. He told us the benefits of using Bodet's Time and Attendance solution align with the key aims of the company to look after its people and using time efficiently.

A solution suited to your environment

NFU Mutual quickly realised that monitoring staff time and attendance was key to ensure the efficiency of its employees. Bodet's Time and Attendance solution was selected as it was *"much more cost effective than the competition and more suited to our requirements"* explains Julian.

A straightforward system and outstanding customer service

The flexibility and simplicity of the software were cited by Julian *"The system is easy to operate for the administrator and is straightforward to use. The software can be hosted on a standard PC. It really helps us that the system can be used for flexible working hours"*.

Julian Cutler said he is very satisfied by the services provided by Bodet. *"We have a very good relationship with Bodet engineers and the support team is really good"*.
